

Masomo ya Biblia 2020

Familia za Maamkio

MAELEZO

Vifupisho vya Pekee: +B = Bologna; +G = Yerusalemu;

Kwa herufi kubwa na nene = **SHEREHE** na **DOMINIKA**

Kiwango cha uzito wa adhimisho huchukuliwa katika Kalenda ya Kanisa Katoliki.

skuu = sikukuu

[SK = kumbukumbu ambayo huko Italia huadhimishwa kama sikukuu;
UU]

[SK = katika Familia yetu huadhimishwa kama sikukuu na ina masomo ya pekee
UU]

km = kumbukumbu la lazima;

(km) = kumbukumbu la lazima kwa familia yetu;

k = kumbukumbu kwa kifupi = Sala kwenye Mikesha tu

Kama baada ya jina la mtakatifu hakuna kifupisho chochote, maana yake siku ile ni kumbukumbu la hiari.

Katika siku za wiki katika Vipindi vya Kwaresima na Majilio, kumbukumbu zote hufanyika kwa kifupi = Sala kwenye Mikesha tu. Kwa urahisi zaidi hatuweki alama yoyote kando yake.

Kila siku ina mistari mitatu:

- mstari wa kwanza una jina la Mtakatifu, pamoja na maelezo ya kiwango cha adhimisho (au siku ya kawaida, kama halikuandikwa lolote);
- wa pili una masomo ya Mikesha (= Kipindi cha Masomo);
- wa tatu unaelekeza masomo ya Misa.

Ikiwa, kwa Sikukuu ambazo zina pia Misa ya Jioni ya Keshu, Misa hii haiadhimishwi, inafaa kusoma kwenye Vesperi ya Kwanza masomo yaliyopangwa kwa Misa ile.

SOMO LA KIMUNGU

ISAYA sura 40-66

MASOMO YA SIKU

Matendo ya Mitume

INJILI YA MARKO

tangu 17 hadi 31 Desemba

Somo la *lectio* linatajwa kwa herufi kubwa

Kwa ajili ya Familia za Maamkio

*Toleo hili la kalenda ya Masomo ya Biblia limetofautiana kidogo tu na lile la Familia Ndogo ya Bikira Maria Anunziata. Tuliweka mfululuzo la masomo pia katika siku ambazo katika toleo la asili haukuendelea. Mabadiliko haya yalitiwa alama ya *.*
